# *Spring Home Maintenance*

## Checklist

- clean and inspect the gutters and downspouts
- inspect the roof - are any shingles loose - does it need cleaned?
- does the house need pressure washed - any mold present?
- clean windows and screens - do screens need repaired?
- inspect window sills and other wood for rot
- clean the yard of leaves and debris
- install hoses - make sure there are no leaks and the nozzle works
- schedule air-conditioning service
- clean the grill - need more propane?
- clean exterior furniture - need fun pillows?
- buy a few plants for the front and back porches
- add fresh mulch or pine straw (in the south!) to your flower beds
- does the driveway need cleaned or repaired?
- service your lawn mower - before the wait is endless!
- plant annuals
- hang your carpenter bee boxes
- clean firewood area - get ready for fire pit time!
- test run your sprinkler system for leaks
- replace any light bulbs that burned out
- trim any bushes that are too close to the house
- hang your fun spring flags
